Honorable Leo A. Hoag /  
Director  
Office of Civil and Defense Mobilization  
Washington 25, D. C.

Dear Mr. Hoag:

Reference is made to your letter of March 20, 1959 which notes the need for a central repository of information concerning the security of foreign facilities of strategic importance to the United States (NSC 163/1).

The Office of Central Reference, CIA, will undertake to establish and maintain such records as are required by the OCB Working Group concerned with the implementation of NSC Action 163/1. The CIA member of that Working Group will serve as a channel for requirements to CIA and will make necessary information available to the OCB Working Group as required.

Sincerely,

AMC  
C. P. Cabell
